This Bible reading calendar is designed to help you read through the whole Bible once a year. During the first four months you will follow the main story line of the Bible. The goal for this 120 day adventure is to be caught up in the single great story of the living God – a drama in which we are all invited to play a part.

The rest of the Bible reading calendar is loosely organized around the various genres of literature found in the Bible. We have grouped together books of wisdom, letters to Churches, gospel narratives etc. so that you can read the Bible for all its worth.

If you find it is impossible to read patiently and unhurriedly, focus on what you can prayerfully and quietly digest rather than obsessively finishing your readings for the day. If you find that this happens frequently, you may want to take two or three years to complete the reading plan.

The goal for the calendar is not just that you go through the Bible, (like water through a pipe), but that the living Word goes through you. Read so as to have your character and behavior transformed into the likeness of Christ, not just to give you more Bible knowledge. Always ask, “What is my life like since this is true, and how shall I speak and act because of this?”

Come to today’s readings as to a place where you will have a holy meeting with God. Listen to what Father, Son and Holy Spirit are saying to you.

Read playfully, prayerfully, leisurely, attentively, imaginatively and obediently.

Choose one or two verses and dwell on them, praying for the assistance of God’s Spirit in bringing fully before your mind and into your life the realities expressed.

By reading the same passages together as a congregation, we hope to kindle frequent conversations about daily readings and daily encounters with the Living God.

Consistently engaging the Scriptures is key to knowing God. We hope that you will fall more deeply in love with God as you immerse yourself in His Story and find your own place in it.
